*The American Public Works Association - Oklahoma Chapter
and the
Oklahoma Water Environmental Association*

***2022 Annual Joint Conference & Trade Show
May 9-11, 2022 - Tulsa Renaissance Hotel & Convention Center***

The American Public Works Association Oklahoma Chapter and the Oklahoma Water Environment Association are combining again to create a professional conference experience for participants, exhibitors and sponsors. Professionals from all areas of public service, including engineering design and Public Works management, fleet management, street maintenance and water/wastewater operations. Private sector consultants, county commissioners, utility department managers and tribal personnel are also invited to attend this conference.

DETAILS COMING SOON!! Contact Rita at 800-772-4678 or rita.cavanaugh@okstate.edu
